

Strengthening Senior Centers in Connecticut

C.A.S.C.P. Presents:
A Round Table Discussion
On
Senior Center Lunches

How is your meal program going?

Is your program working well?

Do you have a Congregate Site? Do you have a Chef?

Are there issues that need to be improved?

Is the quality of the food where you want it to be?

How effective is the Communication with your provider/vendor?

C.A.S.C.P. welcomes Senior Center Staff to this round table discussion. This will be a starting point for us to come together and create a working list of common issues that are shared by many of our centers pertaining the meal program. We will also hear about innovative alternative programs that are successfully providing enjoyable meals to senior center members.
